

OLLY Minimum Advertised Price (MAP) Policy  
Effective January 1, 2025

In order to preserve its reputation for providing customers with high-value products and strong after-sales support, and to further enhance the OLLY brand image and its competitiveness in the marketplace, OLLY is unilaterally instituting a policy of minimum advertised price standards for OLLY products. This Minimum Advertised Pricing Policy (“MAP Policy”) will become effective January 1, 2025, and will apply to distributors and retailers, including catalogs and internet retailers (collectively, “Resellers”), who resell OLLY products to individual end users (“Customers”) located in the United States.

OLLY greatly values the efforts of all Resellers to distribute OLLY products and support our customers. This MAP Policy is adopted for the benefit of all Resellers and will be uniformly enforced.

**This MAP Policy shall work under the following guidelines:**

1. OLLY will, from time to time, issue an updated Schedule of Minimum Advertised Prices (“MAP Schedule”), which may be amended or adjusted by OLLY at any time in its sole discretion. The current MAP Schedule is attached hereto as Attachment 1 and lists the products subject to this MAP Policy (each, a “Product”).
2. This MAP Policy applies to all advertisements of any Product in any and all media, including, but not limited to, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, e-mail, newsletters, e-mail solicitations, internet or similar electronic media, television, radio, and public signage. This MAP Policy is not applicable to any in-store advertising that is displayed only in the store and not distributed to any Customer(s).
3. Resellers shall not advertise the price of a Product to be below the Minimum Advertised Price. For purposes of this MAP Policy, OLLY will consider a Reseller’s advertised price to be the price at which a Product is offered by or on behalf of a Reseller to a Customer after applying all discounts, rebates, allowances, and similar price reductions advertised by or on behalf of Reseller in connection with the OLLY product, excluding certain taxes and shipment charges paid by the customer. Thus, to the extent a discount, promotion, or loyalty program benefit has the effect of lowering the advertised price of the Product below the Minimum Advertised Price, it is contrary to this MAP Policy.

4. If pricing is displayed, any strike-through or other higher price that is paired with a discounted price that is less than the Minimum Advertised Price is prohibited.
5. Resellers must not, without prior written approval from OLLY, bundle, package, or otherwise advertise, with or without a discount, multiple Products together, or Product(s) together with other items, where the total advertised price is lower than the aggregated Minimum Advertised Price for each Product included in the bundle.
6. This MAP Policy applies only to advertised prices and does not apply to the price at which OLLY products are actually sold or offered for sale to a Customer by the Reseller, which are the sole discretion of the Reseller.
7. This MAP Policy does not establish maximum advertised prices. All Resellers may offer OLLY products at any price in excess of the Minimum Advertised Price.
8. Internet auctions may not display or have reserved bid or other acceptable prices more than the Minimum Advertised Price.
9. Pricing information in the “shopping cart” or the final online checkout stage must be obscured technically so that it is not retrievable by shopping and pricing engines and not displayed on search page results within the Reseller’s own website.
10. OLLY has two MAP schedules. Schedule 1 lists the MAP in effect during OLLY’s Key Marketing Moments, which are the dates of January 1 – January 31 and July 5 – September 15. Schedule 2 lists the MAP in effect during the dates of February 1 – July 4, and September 16 – December 31. OLLY further reserves the right to adjust the MSRP with respect to all or certain products at its sole discretion. Such changes shall apply equally to all Resellers. The MAP schedules are attached.

**The Key Marketing Moments are (referenced in Schedule 1):**

- Happy New Year (Jan 1 - Jan 31)
- Back to School (July 5 - Sept 15)

11. This MAP Policy is solely within OLLYs’ discretion and authority acting through the duly authorized managers of OLLY. No employee or sales representative of OLLY has any authority to discuss, modify or grant exceptions to this MAP Policy. Any representation or action by any employee, sales representative or persons not specifically authorized to discuss, modify or grant exceptions to this MAP Policy under this paragraph is unauthorized and invalid. All questions about this MAP Policy should be in writing and directed via *U.S. Mail to: MAP Policy Administrator, OLLY – 415 Jackson Street, CA 90292, who will respond only in writing.* No oral communications about this MAP Policy are authorized. The MAP Policy Administrator shall be solely responsible for determining whether a violation of the policy has occurred, communicating decisions to Resellers regarding the policy and receiving

any communications regarding sanctions imposed under this MAP Policy. Any action taken by OLLY under this MAP Policy shall be without liability to OLLY.

12. Intentional and/or repeated failure to abide by this MAP Policy will result in sanctions unilaterally imposed by OLLY. The level of sanctions will be determined by OLLY in its sole discretion and may include the suspension, restriction, or indefinite termination of, dealership, distributorship, or trade funding. OLLY does not intend to do business with Resellers who degrade the image of OLLY and its products. OLLY need not provide prior notice or issue warnings before taking any action under this MAP Policy.
13. Distributors of OLLY products are required to supply a copy of this MAP Policy to any new or existing Reseller for their records. From time to time, OLLY reserves the right to ensure compliance with this paragraph.
